Meet Andre.

The founder of Entreprenergy, Andre has been training entrepreneurs for the past 15 years in 54 countries. He brings a global mindset with a diversified experience to his training programs.

Andre is a business owner himself, in addition to being the advisor for business owners in different industries, he helps them increase the value of their companies to scale up, systemize the process, attract investment, or exit by selling.

After training one-on-one more than 2,900 entrepreneurs and interviewing more than 700 business owners, Andre brings hundreds of relevant stories while answering your questions, ensuring practical value and real-life examples.

Why You Need This Workshop?

In this workshop, I will walk you through the exact same 5-step annual planning process deployed with the entrepreneurs I mentor and with my consulting clients.

You'll receive valuable resources to outline your goals, establish why those goals are important, and develop a plan for reaching those goals and growing your business in 2024.

By the end of this workshop, you'll have a one-page document you can share with your entire team that will clarify meaningful and ambitious goals for your business, the steps you need to take to get there, and the metrics you need to measure along the way to ensure you're on track for your biggest year to date.

Downloadable worksheets to help guide you and keep you on track
